- **2** Collections
- lists
- tables
- blocs
- 3 Next section
- subsection 1subsection 2
- subsection 3
- 4 One more section
- subsection 1
- subsection 2
- subsection 3

Flux is a modern style beamer presentation. It is provided as a work in progress version and may suffer from inconsistencies. Sources and complementary information are available at

github.com/pvanberg/flux-beamer

# Flux provides five differents color palettes. \usetheme[style=asphalt]{flux}

Asphalt

Blue

Green

Red

Gray

Flux recommends the use of Roboto or Overpass font and a font size of 9pt.

```
\documentclass[9pt]{beamer}
\usepackage[sfdefault]{roboto}
```

Flux also implements default typographies.

- Regular
- Alert
- Example
- Italic
- Bold

Flux also includes custom footnote integration. For instance, this **element**<sup>1</sup> and this **element**<sup>2</sup> provide a footnote.

<sup>&</sup>lt;sup>1</sup>Footnotes are notes placed at the bottom of a page. They cite references or comment on a designated part of the text above it. For example, say you want to add an interesting comment to a sentence you have written, but the comment is not directly related to the argument of your paragraph.

<sup>&</sup>lt;sup>2</sup>Footnotes are not just for interesting comments, however. Sometimes they simply refer to relevant sources – they let your reader know where certain material came from, or where they can look for other sources on the subject.

#### Items

- Cats
- Dogs
- Birds

#### **Enumerations**

- 1. First
- 2. Second
- 3. Last

# **Descriptions**

Apples Yes

Oranges No

Grappes No
